*** SFO Continuing Education Credit**

“Participants completing this course may be eligible to receive Contact Hours toward their SFO recertification. Individuals seeking re-certification should check with ASBO International for approval and review the [SFO Recertification Guide](#). Contact Hours may be approved if the program content correlates to any of the SFO domains of study:

- Managing accounting systems
- Managing accounting functions
- Financial planning and analysis
- Budgeting and reporting activities
- Risk management activities
- Management of school facilities
- Management of information systems
- Management of human resource functions
- Management of ancillary services.

ASBO International uses contact hours to define a unit of continuing education; 1 contact hour = 50 minutes of educational content. If an SFO participates in an Affiliate educational activity, this information is not automatically entered into the ASBO International database because of registration through their Affiliate. SFOs must enter their program activity into their ASBO International My SFO® Manager portal to ensure it is recorded.”
